SOUTHWEST NATIONAL PARKS

Immerse yourself in the majestic beauty of the American Southwest, discovering the geological wonders of our national parks including visits to Grand Canyon, Zion, and Bryce Canyon. Millions of years of uplift and erosion have left a spectacular, monumental imprint across America's Southwest plateau.

Go where hoodoos, slot canyons, arches, buttes, and mesas fill vast horizons with impossible beauty; and learn about the Americans of "Red Rock Country" who shaped our nation's history.

Dear EXPLORERS and Friends,

I am pleased to invite you on a journey to the national parks and monuments of the Southwest. Travel to Grand Canyon National Park for awe-inspiring views from the park's rim. Admire the beauty of light striking Antelope Canyon's narrow sandstone walls, share a peaceful evening with Navajo storytelling, and ponder cultures past and present at a petroglyph site during a river raft ride down Glen Canyon. Continue to Utah where you'll spend enjoyable time at all five national parks—Arches, Canyonlands, Bryce Canyon, Capitol Reef, and Zion—viewing rock formations and otherworldly landscapes that must be seen to be believed.

With the guidance of an expert Orbridge Expedition Leader and the comforts of a private motor coach, there is no better way to visit our country's national parks.

Space is limited. With significant savings of more than \$600 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Activity Level:

Moderate

The majority of the program's activities will take place outdoors and a fair amount of walking on varying terrain is to be expected. Many of the parks have dirt trails, but they are usually fairly smooth for walking, some do have paved pathways and boardwalks. **It is our expectation that guests on this program are able to walk up and down a flight of stairs, and get in and out of a motor coach without assistance.** If you are able to walk a mile at a moderate pace, you will be able to enjoy all of the excursions. Also keep in mind that you will experience varying altitudes, rising up to 9,600 feet, to which you may not be accustomed.
