The Ture of Southern Europe's Islands and Riveiras

Crossroads of Civilizations

The turquoise waters and emerald coasts of the French and Italian Riveiras have long enticed the Greeks, Etruscans, Phoenicians, Romans and Germanic peoples. The beau monde began flocking to the seaside towns as de rigueur of the 19th-century "Grand Tour" to rejuvenate in the salubrious climate. The rise of Italian nobility—particularly the Savoys, Italy's ruling family from 1861 to 1946, and the Grimaldis, the lineage of the current Prince of Monaco—further influenced the development of these coastal gems nestled between the Alps and the sea. The Côte d'Azur's radiant quality of light captivated Pablo Picasso, Henri Matisse and Marc Chagall, distinctly influencing each artist's use of brilliant colors, while the glamour of the region attracted great writers like F. Scott Fitzgerald and Ernest Hemingway.

Occupied since the sixth century B.C., it was fortified by the Romans, conquered by the Visigoths in the fifth century, overrun by Persians in the seventh century and invaded by Franks and hordes of Barbarians. Each of these civilizations left their indelible influence on the extraordinary architectural and artistic heritage of the city over the centuries. Walk the cobblestone streets, visit the Musée des Beaux Arts, admire the drawbridges and watchtowers of Carcassonne and enjoy the joyous

Nice, France

One of the oldest human settlements in the world, with archaeological sites dating to the Lower Paleolithic period, Nice remains rich in its traditions and centuries-old culture. This capital of the Côte d'Azur is bursting with the colors that inspired Chagall and Matisse: the azure waters of the Mediterranean, terra cotta roofs, ochre and yellow houses, emerald green gardens, budding flower markets and marbled tile squares of Baroque and French theaters. Enjoy a walking tour of Vieux Nice (old town) and a stroll through the vibrant outdoor flower market. Visit the Musée Marc-Chagall, home to the largest collection of the artist's works, including the 17-canvas *Biblical Message*.

Settled as a fishing village by monks, Cannes today is the quintessence of dazzling Riviera allure and host of its renowned international film festival. On an optional excursion, see the picturesque, palm-lined La Croisette promenade; admire the medieval lanes, churches and castle of Le Suquet on a walking tour of Cannes' old quarter; and see the world-famous Film Festival Palace.
